

The Continuing Education for Dressage Instructors offers ten annual grants of \$1,000

to USDF GMOs (or chapters) to conduct continuing education programs for Dressage Instructors. Grants will be awarded to the first ten GMOs who apply and whose applications are approved by The Dressage Foundation's Instructor Education Advisory Committee.

This grant program is being made possible with funding donated by Maryal Barnett (MI) *at left*, "The future of dressage and the welfare of our horses is dependent on the quality of education that our professionals

obtain.... Violet Hopkins gave her farm, time and wisdom each Summer to make the Vi Hopkins Seminar for Dressage Instructors possible for those of us hungering for more knowledge. Now, it is my desire to give back to the sport that has given me such a rewarding and happy life."
